

TechMelo

PROFILE & PORTFOLIO

WHO WE ARE?

www.techmelo.com

TechMelo was formed in 2012 to meet the growing demand for high-quality yet cost-effective IT development services. Through a focused combination of expertise, best practices, flexibility, and commitment, we are forming solid relationships with clients from all around the world.

Having worked with clients in United States, Australia, Saudi Arabia and Pakistan, TechMelo has uniquely positioned itself to attract and hire only the most talented and dependable IT professionals. Our unique and creative development environment provides customized software and system integration services. We possess state of the art development lab providing you with around the clock support and the cost advantages of offshore development, as well as the quality and security of your ideas.

Since the beginning of our journey our ambition was very clear, to help in ladening the society with innovative software solutions. TechMelo provides services in the following areas in general:

1. Automation of Large Scale Systems
2. Implementing Corporate Solutions
3. Building Decision Support Systems
4. Providing Tablet based Innovative Solutions
5. Development of Mobile Applications
6. Implementing Web based Solutions

OUR PORTFOLIO

www.techmelo.com

CORPORATE SOLUTIONS

TechMelo is proud to develop TBCP-MS (Tuberculosis Control Program Management System) serving Pakistan's Tribal areas and Khyber Pakhtunkhwa. The system was funded by AGEF Financial Consultants and the FATA Government.

TABLET SOLUTIONS

Tablets are replacing the traditional restaurant menus, doctor notepads, the front-desk bulky computers and old ways of tracking the factory work-flow. We are one of the leaders in this domain.

MOBILE APPS & GAMES

APPS DESIGNING & DEVELOPMENT

We have designed and developed dozens of applications and games for Android, iOS and Windows Phone. Many of those apps are available on different app-stores.

WEBSITES

WEB DESIGN & DEVELOPMENT

Uniquely crafted website is still the most effective representation of a business. We have designed and developed state of the art websites, portals, admin panels and CMS for our clients.

NOTABLE CLIENTS

www.techmelo.com

TechMelo is committed to providing the best resources and solutions to our clients. We firmly believe that our success depends on your success. We provide a complete spectrum of solutions which include development, consultation, staffing and designing services. Striving to meet new challenges, we will continue to provide the services that our clients require.
